GCC will remove the memorial in advance of the burial, and this will be replaced on the grave approximately one year after the burial has taken place. The memorial will be moved to an area as close to the grave as possible, and it will usually be placed at an angle.

Alternatively, you may choose to employ a memorial mason to remove a memorial and take it off site, however this is not permitted if the burial is that of the grave owner.

Headstone only memorials

GCC has an appointed memorial mason who will attend site and remove the headstone and foundation. This headstone will be taken off site and stored in their premises for one year. The memorial mason will reinstate the headstone, using ground anchor to meet BRAMM regulations.
